

Access: Right Care, Right Place

Join Drs Mark Sherman and Sienna Bourdon in an exciting, interactive and informative event to help shape our broader access initiative.

Outcomes of this paid session will contribute to the Division's approach to patient access and will inform project work for the year. Some of the questions we want answered include:

- How do we improve access for our patients?
- What are the limitations to improving access?
- How do we reduce our patients' use of ERs and UPCCs?
- How do we measure Patient Access?

We need your input!

Wednesday, June 17, 2026

-  Parkside Hotel, 810 Humboldt St.
-  Doors Open – 5pm
-  Buffet Dinner – 6:00pm
-  Ends – 8:30pm
